Form 10-K for Fiscal Year Ended December 31, 2019

Part III. Item 11. Executive Compensation (incorporated by reference from Definitive Proxy

Statement filed March 16, 2020), page 49

We note that "[t]he Compensation Committee determined to measure the achievement of the 2020 performance metrics [by excluding] from the measurement of EPS-XA for 2020 the effects of any share repurchases in excess of \$200 million during the 2020 fiscal year." We also note that for the quarter ended March 28, 2020, the company repurchased approximately 14.5 million shares, valued at approximately \$200 million. In future filings, please disclose the Compensation Committee's reasoning for the \$200 million threshold and disclose the impact that excluding your 2020 share repurchases will have on your performance

measure of EPS-XA.
