**Explanation of Responses:**

1. Sale was made pursuant to an odd lot program pursuant to which shareholders owning fewer than 100 shares of Hanesbrands Inc. common stock may sell all their shares or purchase enough additional shares to increase their holdings to 100 shares. On a weekly basis, shares submitted for sale are matched to shares requested for purchase by other participating shareholders. The balance of shares not matched are traded in the open market throughout the respective week and a few days afterward. A weighted average price is determined by these market trades for the respective week and that is the price participating shareholders pay or are paid for purchases or sales under the plan.
